CAN I RECYCLE THAT? MONROE MONTHLY RECYCLING TIPS

Monroe BIG TRASH DAYS/BIG JUNK DAYS

We are so lucky to have Big Trash Days in our town. Watch for the dates in the newsletter and on the town website. They are from 7am to 11am. Same as our recycling bins, Monroe Big Trash Days are exclusively for Monroe residents only, for items from Monroe residences.

This is where large items that cannot easily be disposed of can be taken: building materials, mattresses, appliances, lamps, and such.

Electronics are accepted at Big Trash Days.

Fluorescent bulbs that have already been removed from their fixtures are also accepted.

The size limit is one cord (one 5x8 trailer load) of big trash or junk. It must be organized in such a way that it can quickly and safely be removed from your vehicle.

For Safety: Picking from the dumpsters is not allowed.

Note: Tires may only be dropped off during big Trash Days. Tires must be designed for a 21-inch or smaller rim. They must be removed from the rims. (Rims go into the metal bin). They must be clean and not full of dirt and water.
