Important Information

Children 6 and under **MUST** have a parent or guardian with them every day.

Children 7 and older are free to attend without a parent, unless there is a discipline issue. If there is a discipline issue, a parent or guardian will be required to attend with them.

Multiple Chaperones are needed for each day, both on the bus and for running the programs while children are waiting for their lesson. The Academy has graciously allowed us to borrow sports equipment such as Frisbees, basketballs, etc. and we are looking for people to help with activities as well as to help supervise the children going to and from lessons.

Both Male and Female chaperones are needed each day. A male chaperone will be required to supervise the boys locker room and a female chaperone will be required to supervise the girls locker room.

Please pack a snack for your child, and if you think they cannot wait until they get home for lunch, also pack a lunch (swimming makes them hungry!)

Make sure your child has a towel, change of clothes for the ride home and goggles, if needed. Be sure to mark their name on any items so they are not given to another child.

Children need soft soled shoes or sneakers while playing in the gym, no black soled sneakers are allowed as they leave marks on the gym floors.
