CAN I RECYCLE THAT? MONROE MONTHLY RECYCLING TIPS

Plastic Bags, Liners, and Plastic Films

Monroe's program does not recycle plastic films such as grocery bags. But Shaw's and Walmart have recycling containers at their store entrance for these.

Remember: Do not leave plastic bags in the bins. Only put in the items you are recycling, not the bags you carried them in.

Aluminum cans in bags likely get thrown in the trash because wasps and other stinging insects are attracted to the contents. No one wants to empty out a bag and agitate them!

SQUAM LAKES
NATURAL SCIENCE CENTER

WEDNESDAY the 12th
6pm @ the Town Hall

During this program, a naturalist from the science center will introduce you to live animals native to NH and share the inspiring stories of three Earth Heroes whose work has helped to ensure their survival.

GAME NIGHTS AT THE LIBRARY

Tuesdays in July from 4-6:30pm

Bring a friend or the whole family and play some table top games. We'll have a variety of games for all ages or bring your own favorite. You may bring food/beverages too as long as no mess is left behind and drinks are covered.

If the weather cooperates, there will be yard games to take outside.

NEED SOMETHING TO DO ON A RAINY DAY?

A trip to the library* is a great way to spend a rainy day but so is a car ride. Check out *Cruising New Hampshire History: A Guide to New Hampshire's Roadside Historical Markers* by Michael Bruno. Each marker is listed with location and additional information.

*If you opt for the library, you can sit and read, work on a puzzle with a hot beverage from the Keurig, or chat with neighbors. Upstairs, the children's room is filled with educational play and nooks to curl up in. It's a great place for a play date! Library hours: Tuesday 12-7, Wednesday 9-4, and Saturday 9-12.
