

MONROE MATTERS A COMMUNITY NEWSLETTER

FROM THE OFFICE OF THE SELECTMEN

Summer is here and school is out. Please stay alert for pedestrians and bike riders.

- There will be no Selectmen’s meeting on July 12th - next meeting is the 19th.
- The Consumer Confidence Report for the Monroe Water Department is available on our website (www.monroenh.org).
- Check out the town’s official Facebook page (Town of Monroe, NH) for timely announcements such as office closings, traffic alerts, etc.
- A reminder that recycling must be sorted into the appropriate containers

As always, if you have any questions or comments, you can call the Town Office at 603-638-2644 or email us at monroeselectmen@roadrunner.com

LARGE TRASH DAY

SATURDAY, July 16th

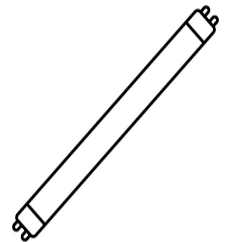

7am-11am at the Municipal Building - No Early Birds

Limited to 1 trailer load (4 x 4 x 8) per household

All trash must be generated within the Town of Monroe

Clean tires under 21” without rims will be accepted

Fluorescent bulbs will be taken during Big Trash day (only from 7-11am. DO NOT leave them any other times)

MONROE CONSOLIDATED SCHOOL

Proposed Secure Entryway Renovation Project

The School Entryway Committee believes this is a responsible compromise that balances budget, security and educational concerns for the Monroe Consolidated School. The entrance improvement options will also offer the added benefit of a small amount of additional educational space and better supporting spaces for students. We hope you will support our proposal in March 2023.

Renovation Project Vote to be held March 2023.

NEW HIGH SCHOOL STUDENTS

Are you a homeschooler or a new resident of Monroe that will be going to high school this year? If so, please reach out to Molley Gilley, Administrative Assistant, at the Monroe School District for residency paperwork for high school tuition coverage. You may call 603-638-2800 ext. 48 or email her at mgilley@monroeschool77.com

NEWSLETTER SUBMISSIONS

Newsletters will be published monthly in 2022. Email 03771plans@gmail.com by July 22nd with submissions for the August issue.

LORD’S ACRE AUCTION DONATIONS

This fundraiser for the Monroe Community Church relies on donations of items to be auctioned off and the church is grateful for these items. If you have donations, please contact Winston Currier at 603-638-2331 to make arrangements. If items are left on the porch of the vestry, they could get damaged by rains before being collected.

IT OUT AT THE LIBRARY

June was a fantastically full month at the library! A loon program, a donut making demonstration, the town wide yard sale and book sale, summer reading programs, and lots of people coming and going during regular hours. Thank you to Ray and Evelyn Richer for the nesting loon documentary. Another thank you to John Blanchard. He's a natural instructor and could do his own cooking show! Hope you made it to the church bake sale and sampled some of the donuts he made.

BORROW MORE THAN BOOKS!

Grab some tennis rackets and head over to the court behind the school.

Having a party? We've got the lawn games!

Want to stargaze? Our telescope is easy to use.

Check out the revolving rack in the library to see what else is available.

GARDEN TOUR August 10th

Join the library for an evening tour of a lovely local garden that combines fruits, vegetables and perennials as well as trees and shrubs. Be inspired, ask questions of a UNH Extension Master Gardener, and meet other gardeners. Contact the library for details. Space is limited so you will need to use your library card number to register.

Plan to visit this summer! Fun hands on STEM exhibits and all the old favorites in the galleries. See what's in bloom in the area at the wildflower table and then head outside to see what's hatched in the butterfly house too!

Admission is free to Monroe residents (just bring some sort of proof of residency - a utility bill, license, etc). Planetarium shows must be paid for separately.
