FROM THE TOWN CLERK'S OFFICE

A MESSAGE FROM MARILYN

I have been your town clerk for over 32 years and can truly say that I have enjoyed most of it. There were always a few problems here and there that tried our patience. One of the biggies was changing over from electric typewriter to computers. I did not plan to go into this type of work, but due to some life changes I moved to Monroe in 1985 and married a local boy. It all started with my doing bookkeeping for the Selectmen, then I was hired to replace Heather Powers Lamont when she went to teaching. And I am still here now. I am now taking a new pathway in life. I will be retiring from my job on Nov. 15th and I will also be getting married and moving to Waterford, VT. I will not be that far away and will still be involved in some Monroe activities as well as working on repairs to my home here in Monroe. Hard to believe it is 37 years old. I will miss seeing a lot of you, I have made lots of wonderful friends thru the years. Thank you for putting up with me all these years.

Marilyn
