He will contact the neighbors to see if they are okay with the request and Diane will type up the letter regarding the outcome.
3. George Sansoucy, utility re-evaluator, called in and provided an overview of the utility re-evaluation process. He also talked about the reporting bill that was submitted in September 2019 regarding mandatory reporting for Utilities. 5. The following item was approved.
 - a. 2020 Community Public Water System Emergency Plan – added C & C Bunnell as a soil excavator to the plan.
6. John noted the Highway Department is getting ready to black top several areas. Justin noted the need to have an actual bid on this first. Randy is to provide us with exactly what is needed so the bid can be done.
7. Justin stated he reviewed several purchasing policies online and thought the dollar amounts of the current policy for Monroe were too restrictive. These will be adjusted and the policy will be re-approved and sent out to the departments.

Oren moved to adjourn the meeting and John seconded the motion. The meeting adjourned at 9:35 p.m.

Respectfully Submitted,
