Selectmen Meeting Minutes
June 16, 2020

The meeting was called to order at 7:00 p.m. by Justin Bradshaw.

Selectmen Present: John Blanchard, Justin Bradshaw, Oren Remick

Public Present: Keith Merchand

1. Discussion regarding Large Trash Day. Randy Bunnell was present to discuss how Large Trash Day went on Saturday 6/13. He noted excessive amounts of items were brought in, including a lot of smaller items. The smaller items could have been bagged or boxed to make it easier to remove from the trailers. Other items discussed included perhaps having a metal area set up, not allowing rims on tires, and having a community pile which would be accessible after the event. Randy also suggested starting earlier in the day. The decision was made to try an earlier start time for the next trash day which is scheduled for July 18th. The times for that day will be 7:00 a.m. until 1:00 p.m. An additional employee will also be at the next event to help. A list of rules will be put together and distributed (via Facebook, website, and posted).
2. Approved Minutes from June 9, 2020. Justin moved and Oren seconded to approve the June 9, 2020 minutes. The motion carried unanimously.
3. Public input - none
4. Questions from the Library Trustees regarding the outside work to be completed at the library. Diane will relay information to the Library Trustees that the costs will come from the General Fund and not the Library Fund. Also some of the items questioned can be completed by Kurt.

5. Revisions to the Water Billing Policy. These are to be reviewed and will be discussed at the next meeting.
6. The following items were approved.
 - a. Revision to GEFERR reimbursement request
 - b. Request to Transfer funds from NHDIP into the Water Fund for the loan payment
 - c. Request to Transfer Funds from the General Fund Checking to ICS account
 - d. Building Permit Request for Dan & Jan Powers
 - e. Vacation request for Diane Gibson Smith
7. Justin stated he will be looking to go out to bid for the Coppermine Project this fall. Work will probably be scheduled for next spring.

Justin also suggested we look into an online product for registrations, etc. and look into accepting credit cards. Diane will check into this.

Justin moved to adjourn the meeting and John seconded the motion. The meeting adjourned at 9:00 p.m.

Respectfully Submitted,
Diane L. Gibson Smith, Administrative Assistant
