### COMMUNITY BOOK GROUPS

Know a group of people who'd like to be in a book group? The library can make it easy for you to form a group, get multiple copies of chosen books and provide you with a place to meet. Contact us for more information.

Want to be in a book group but don't want to have your own group? We'll put your name on a list so a group that needs more members can contact you.

Thank you to everyone who participated in our summer programming.

Thank you to Judy Martin and Jaime Anderson for volunteering. Couldn't have done it without them!

Hearing 1000 books before Kindergarten helps prepare a child to learn to read independently, increases their vocabulary, and improves their listening and narrative skills. It's FUN too, especially when you and your child participate in the library's 1000 Books Before Kindergarten program. Your child will get a book bag, add their picture to the Reading Wall of Fame, earn badges to add to their bag, and receive a t-shirt & certificate upon completion.

WHERE CAN I SIGN UP? At the Monroe Public Library

WHEN: Today! Register anytime from birth to before they attend Kindergarten

WHAT COUNTS? Everything! Every book you read counts every time you read it! Books your child hears at the library and school count. Books that others read to your child count. It all counts!

*Have older children? Look for upcoming programs for elementary and middle school.*
