KEEPING IT LOCAL

You, yes you...we're here to help you spread the word about products or services you provide to our community. Whether you have a business in town or you are from Monroe and are located nearby, contact us to be featured in an upcoming issue.

IT OUT AT THE LIBRARY

WINTER BREAK FUN

We will have activity stations around the library with fun things to do: Legos, magnetic building blocks, marble run, Snap Circuits kit & Osmo games on our iPad.

We'll also have paper bag book making.

In response to recent inquiries: yes, there will be a town wide yard sale and library book sale this summer!

No date has been set since we are trying to find out what else is happening locally.

A VOTE OF A DIFFERENT KIND

We look forward to expanding our programming this year now that Covid vaccines are widely available and appropriate prevention methods are better known. Come visit the library table that will be set up at the town hall during voting on March 8th and vote on the types of programs you want to see in the future.

LIBRARY OF THINGS

WHY BUY IT WHEN YOU ONLY NEED IT ONCE IN A WHILE?

Our collection now has a space where items that are available to lend are displayed. If the book is on the shelf, bring it up to the desk and we'll sign out the item to you. Additional items will be added seasonally as well.

We would like to expand our collection so if you have a suggestion, let us know. If you have an item you think might be useful to others and you want to donate it, let us know and if it fits within our guidelines we'll add it.
