CAN YOU HELP?

The Orford Historical Society is preparing an exhibit on the early years of the Orford High School that will include information on Gladys Twitchell. She was headmaster there before her time at McIndoes Academy from 1944-1956. Do you have an Academy yearbook that features her? Were you or a relative a student of hers and have a story to share? Contact the library and we'll put you in touch with the researcher.

pharmacy. Stop in the library for a free
bottle while supplies last.

BOOK DONATIONS

The library is able to accept small
donations (one grocery-sized bag) of used
books. We either use these books in our
collection, pass them on to other NH
libraries, use them to stock our little free
library shelves or add them to our annual
book sale. Small donations can be dropped
off any time the library is open. Contact
Jessica if you have larger amounts to
donate. Since the book sale date is close,
we currently can accept larger donations.

LIBRARY OF THINGS

Having a summer get together or just
having a family day at home? We have
lawn games to make entertaining easy.
Come in and check out giant lawn dice,
the super fun game of Kubb (Viking
chess?), a badminton/volleyball set or a
pair of cornhole boards.

While you're here, see what else is
available on our Library of Things shelves.
